

## CHIEF GOVERNMENT CHEMIST LABORATORY AGENCY

### QUALITY POLICY STATEMENT

The Chief Government Chemist Laboratory Agency (CGCLA) is committed, as mandated, to deliver quality analytical laboratory services in forensic science, food and drugs, chemical and environmental sample testing, and chemical management. CGCLA strives to meet applicable statutory and regulatory requirements and to satisfy customer needs and exceed their expectations. The top management ensures the provision of adequate resources and competent personnel to deliver reliable, accurate, and timely results.

The Agency is dedicated to continually improving the effectiveness of its Quality Management System and upholds impartiality, confidentiality, and professional integrity in all its services. This policy is communicated to all staff and relevant interested parties.

DR. FARID MZEE MPATANI

CHIEF GOVERNMENT CHEMIST
