## CHIEF GOVERNMENT CHEMIST LABORATORY AGENCY

### QUALITY POLICY STATEMENT

Quality Assurance and Control in the Chief Government Chemist laboratory Agency (CGCLA) has been established as an integral part of its operational activities that primarily focus to meet customer satisfactions and strive for exceeding their expectations by undertaking quality testing of various samples, chemical management and services to ensure reliable and timely results through CGCLA Quality objectives.

CGCLA's top management and staff are committed to continual improvement by ensuring efficiency in managing activities performance through competence building.

This **policy** is communicated to all customers, staff and the general public; CGCLA complies with all requirements by considering impartiality and confidentiality to services and activities.
